

East Nara & Nabari

A trip to discover the original landscape of Japan
with its long history and beautiful nature

Model course in East Nara & Nabari

1・Mystery Tour in Yamazoe a one-day trip from Osaka

Fee ¥9,000 per person (10-person minimum)

You will arrive at the nearest station to Yamazoe Village, Nabari Station on the Kintetsu Line, in less than an hour after departing from Osaka Namba Station. After arriving at Nabari Station, you can ride a rental car that you have already reserved and drive for about 40 minutes to Yamazoe Village. Then, you can gather at the Yamazoe Village Tourist Association, which is the start and finish line of your journey.

Once you receive instructions from the game master, you can finally start solving the mystery. Make sure to visit all the places that serve as clues. Not only will you receive hints for solving the mystery, but you will also get to enjoy the scenic tourist spots in Yamazoe Village while you pursue the culprit. Don't forget to savor the delicious local cuisine lunch at Eizan-ko.

After investigating all the clues, you will return to the Yamazoe Village Tourist Association and finally start deducing the culprit. Were you surprised by the unexpected outcome? Or did your reasoning turn out to be correct?

NAGOYA

2·Two days to experience local life and Japanese school

Fee ¥40,000 per person

Get off at Nagoya on the Golden Route. After transferring to the Kintetsu train for about an hour and a half, and you will find a place this close by where you can experience the real Japanese countryside for those who want to know and experience Japan more deeply.

In Mitsue village, you can experience Japanese schools that you've seen in anime and manga for yourself. When the bell rings, the class begins. You will learn about the local history from the teacher, experience making local specialties, cook and eat lunch together, and clean the classroom. Take a trip down memory lane and compare your student days with the experience.

In Higashiyoshino Village, you can learn about the local traditional industry of forestry and make a bento box that craftsmen used to eat in the mountains. After tasting it, you can visit the water god who nurtures the beautiful forest, then actually enter the forest and listen to the stories of the craftsmen, and think about the people who live in this area.
